

Your trusted source for
the original Detox Cocktail®

QUALITY • INTEGRITY • SAFETY • SCIENCE

Manufactured in a
GMP-Certified facility

Inspired by Dr. Sherry Rogers in her groundbreaking book *Detoxify or Die*

The Original Detox Cocktail

Happy Bodies Detox Cocktail® is a daily dietary supplement that promotes the healthy functioning of the body's detox pathways. Unlike other harsher detox and cleansing products, our Detox Cocktail® is not a one-time chemical laxative. Made with the highest quality ingredients, Happy Bodies Detox Cocktail® promotes healthy liver function and supports daily detoxification for optimal health. Made from pure ascorbic acid, reduced L-glutathione and stabilized R-alpha lipoic acid, Detox Cocktail® is a great-tasting powder that mixes well with water or your favorite beverage.

NATURAL LEMON FLAVOR • GLUTEN FREE

HB-PC Phosphatidyl Choline Powder

Phosphatidylcholine ("PC") is an essential phospholipid that is a significant building block of every cellular membrane in your body. It not only helps to regulate the passage of nutrients into, and toxins out of, your body's cells, but it is also a precursor to a brain chemical called acetylcholine that is an important neurotransmitter involved in memory and other cognitive functions. More potent than regular lecithin, HB-PC powder blends well with water, freshly-squeezed juice or your daily Detox Cocktail®.

40% PC CONCENTRATION • GMO-FREE

Manufactured in a
GMP-Certified facility

HB-MAG Magnesium Citrate Powder

Magnesium is the fourth most abundant mineral in the human body and is an essential contributor to more than 300 important biochemical reactions. It helps to maintain normal muscle and nerve function, supports a healthy immune system, assists the body in its natural regulation of blood sugar levels and keeps bones strong. Happy Bodies HB-MAG is 100% pure magnesium citrate in an easily absorbable and highly bioavailable form. It dissolves 100% in water or your favorite warm or cold beverage.

GLUTEN FREE • GMO-FREE • VEGAN
